## Event Overview

Join us for [Recruiting Tomorrow's Female Cardiologists](#), a dynamic program designed to inspire and empower those pursuing careers in cardiology. This event offers a unique opportunity to learn from leading female cardiologists, network with peers & gain valuable insights into the field. *This meeting is presented in collaboration with the Ohio-ACC and ZOLL.*

## Why Attend?

- **Expert Insights:**  
Hear from prominent female cardiologists.
- **Networking:**  
Connect with peers and mentors.
- **Career Guidance:**  
Receive advice on career paths in cardiology.

This program provides a supportive environment for aspiring cardiologists to:

- Gain practical knowledge about the field.
- Explore various career options within cardiology.
- Develop essential networking skills.
- Foster a sense of community and belonging.

## Program Highlights

The program will feature a combination of:

- **Presentations:** Inspiring talks from leading female cardiologists.
- **Panel Discussions:** Engaging discussions on pathways in a cardiology career and how to satisfy work-life balance.
- **Hands-On:** Hands-on experience with common technologies and devices used in cardiology
- **Networking Opportunities:** Dedicated time to connect with speakers and attendees.

## Who Should Attend?

This program is ideal for:

- Medical students interested in cardiology.
- Residents pursuing cardiology fellowships.
- Cardiology fellows and others seeking mentorship and support in the field of cardiology.
